SENIOR HR LEADER | HR STRATEGY | ORGANIZATIONAL DESIGN & TRANSFORMATION | TALENT, PERFORMANCE & REWARDS | HR SYSTEMS & ANALYTICS

PROFILE

Senior People & Culture leader with 14+ years across global technology, AI products, and telecom, including group-governed multinationals: Epic Games, Mobilink (VimpelCom), and Ufone (Etisalat). Three times the senior-most HR leader in an organization, accountable for HR strategy, organizational design, talent acquisition, compensation, performance, learning, and HR budgets. Proven in HR-led mergers and acquisitions, multi-jurisdiction employee relations, pay-equity correction, enterprise performance management, and large-scale culture and L&D programs. Builds systems, frameworks, and talent pipelines that outlast tenure, backed by measurable outcomes in hiring speed, retention, engagement, and cost.

CORE COMPETENCIES

HR Strategy & Governance • Organizational Design & Workforce Planning • Mergers & Acquisitions (HR Integration) • Talent Acquisition & Hiring Governance • HR Business Partnering • Succession Planning & Talent Retention • Compensation, Benefits & Total Rewards • Performance Management • Learning & Development / Organizational Development • Employee Relations & Investigations • Change Management • Culture & Engagement • People Analytics & HR Budgeting • HRIS & HR Automation (Workday, Lever ATS, Greenhouse, Lattice, 15Five, Apogee HRMIS)

SELECTED CAREER ACHIEVEMENTS

- **Directed HR through two acquisitions and a cross-border entity merger:** Pakistan telecom's first-ever acquisition (Warid into Mobilink), the Quixel-Epic Games integration, and a two-entity Sweden merger completed in under 5 months with worker-union consultation.
- **Corrected an international pay disparity with one-time increments of 12-32%** for all eligible staff; diagnosed the root cause of tech and 3D-art attrition, re-based benchmarks, and halted the exits.
- **Delivered a 5,000-employee values rollout and administered a 5,000-employee performance system:** national-scale change management and enterprise performance ownership.
- **Managed exits and investigations across 8+ jurisdictions** (China, Japan, UK, France, USA, Sweden, Slovakia, Australia, Pakistan), partnering with legal counsel throughout.
- **Cut hiring cycle time 33% (57 to 38 days) with zero agency spend** and improved frontline retention 7% across 450+ staff.
- **Built systems and pipelines still running after tenure:** a Technical Management Trainee pool, a load-bearing HR tech stack, and a public community park (CSR).

PROFESSIONAL EXPERIENCE

ImagineArt (AI product company) — Senior HR Partner Apr 2026 - Jun 2026

Build-the-function mandate for a high-growth AI product company; remote/Islamabad. Engagement concluded on completion of the build-out.

- **Established the People & Culture function end-to-end from a standing start:** HR operations, service-delivery foundations, policies, and process ownership for a rapidly scaling, distributed team.
- Stood up core HR operations — onboarding, employee data management, benefits administration, and full lifecycle workflows — with defined service standards.
- Deployed HRMIS and employee self-service to centralize employee data and raise HR service-delivery efficiency; partnered directly with founders on people processes and SLA/KPI structures.

Independent HR Consultant — Contract Projects Jan 2026 - Mar 2026

- Delivered HRBP and organizational-design advisory to scaling companies, working independently across multiple client contexts and time zones.

Epic Games — Senior HR Business Partner (APAC, Europe & Americas) Jan 2024 - Dec 2025

Partner to VPs and functional Directors; managed 4 HRBPs supporting 450+ employees across Quixel, Product, Automotive, Twinmotion, and other Epic SBUs.

- **Orchestrated a two-entity legal merger in Sweden in under 5 months:** coordinated HR operations, legal, compensation, and admin; consulted local worker unions; ran employee townhalls; and transferred all staff and data to the new entity.
- **Resolved a Pakistan-vs-international pay disparity driving tech and 3D-art attrition:** built the business case, re-based compensation benchmarks with the comp team, and secured one-time increments of 12-32% for all eligible employees, halting the exits.

- **Owned enterprise performance management for 300+ employees across multiple SBUs:** calibration, ratings, 360 feedback via Lattice, promotion cycles, compensation partnering on increments and level-ups, and PIPs and development plans for low performers.
- **Handled exits and investigations across 7+ jurisdictions** with legal counsel: performance separations, misconduct cases, and third-party contractor disputes.

Quixel (Epic Games) — Head of HR, Pakistan Sep 2019 - Dec 2023

Senior-most HR leader in Pakistan; owned HR strategy, full employee lifecycle, PKR 10M+ HR budget, and a team of 3. Glassdoor rating 4.5 out of 5.

- **Drove the HR workstream of Quixel's acquisition by Epic Games:** harmonized org structure, job architecture, performance frameworks, and compensation across regions.
- **Executed a pre-acquisition redundancy of 13 roles end-to-end with zero disputes:** locally compliant, above-market severance plus outplacement support; company reputation preserved.
- **Closed 70+ hires in year one with zero agency spend** by building in-house direct-sourcing capability and implementing Lever ATS with structured hiring governance, reducing cycle time from 57 to 38 days.
- **Deployed a full HR tech stack adopted to load-bearing:** Lever (ATS), Apogee (HRMIS), and 15Five (performance), with payroll and salary slips running through 15Five.
- **Established the culture and reward architecture from zero:** wellbeing allowance, quarterly performance bonuses, on-the-spot recognition, HOD townhalls, skip-level reporting, and a two-stage development program for all 29 people managers.
- **Lifted engagement 12% in year one (third-party survey)** while the company scaled from 63 to 238 employees with attrition held below 5%.

Trillium Information Security Systems — Head of HR Apr 2016 - Aug 2019

Senior-most HR leader; owned people strategy, HR operations, budgeting, and organization-wide transformation.

- **Created a Technical Management Trainee program still running today:** solved a severe retention problem with a ready, plug-and-play talent pool that protects delivery against departures.
- **Achieved 30% headcount optimization** through organizational restructuring and strategic workforce planning, without loss of critical capability.
- **Sustained a 27-day average recruitment cycle** owning end-to-end talent acquisition; built competency frameworks, HiPo, and succession pipelines organization-wide.

Mobilink / Jazz (VimpelCom) — HR Business Partner, Commercial & Customer Support Jul 2014 - Apr 2016

HRBP to commercial leadership in Pakistan's largest telecom operator; 2,500+ employee division.

- **Improved retention 7% across 450+ frontline staff** in the North regional customer-support setup through stronger hiring frameworks, engagement, senior-leadership involvement, manager training, and cross-departmental mobility.
- **Supported HR integration in Pakistan telecom's first-ever acquisition** (Warid into Mobilink), onboarding acquired staff.
- **Administered a brand-new performance management system for 5,000+ employees** as master system administrator, driving on-time completion.
- Resolved disciplinary cases, investigations, and redundancy exits for the commercial team, including harassment and unauthorized-absence matters, handled with fairness and confidentiality.

Ufone (Etisalat) — Learning, Development & OD Executive Jul 2011 - Jun 2014

Learning and organizational development for a 5,000+ employee telecom operator under Etisalat group direction.

- **Designed and delivered a 3-month core-values rollout to 5,000+ employees nationwide:** developed the values, built the training, coordinated 35+ trainers across 30+ sessions of roughly 100 people each, and facilitated as a trainer.
- **Embedded a competency framework into performance evaluation at 25% weightage**, closing the loop from values to measured performance.
- **Managed the full L&D calendar and a PKR 20M+ budget for 5,000 employees**, including logistics, vendor management, and international trainings.
